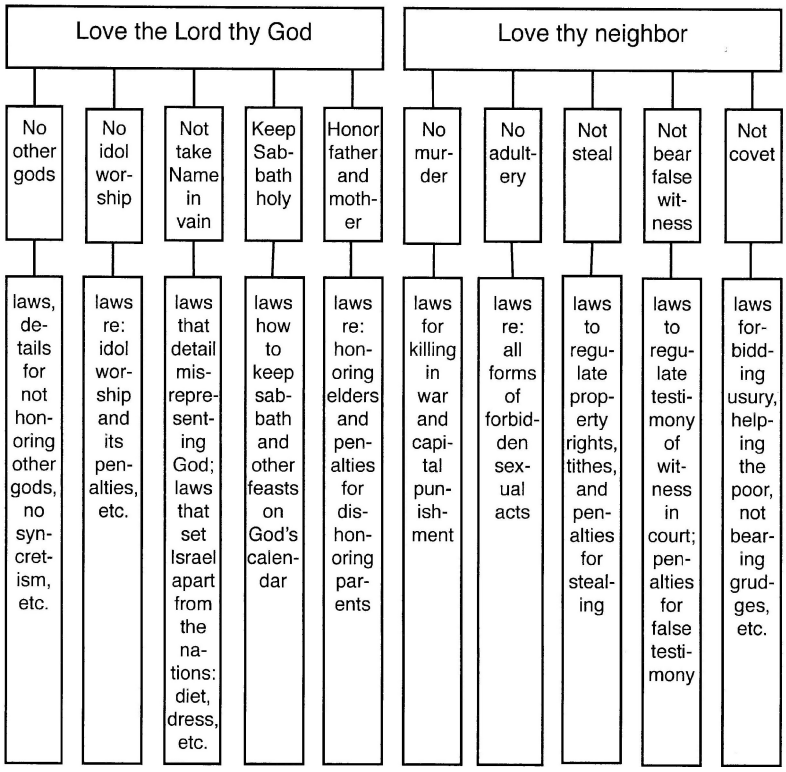
DOCTRINES - THE 8th COMMANDMENT # 18

STEALING

This is another of the 10 Commandments that should be easy. I want to remind everyone how God's Commandments are linked together.



Exo 20:15 "You shall not steal. NKJV

Lev 19:35-37

The 5th Plank to the Communist Manifesto:

❺ Centralization of credit in the hands of the state, by means of a national bank with state capital and an exclusive monopoly.

How is this stealing? In 1913 the Federal Reserve was created. It is a private non-government corporation that was given control of the US Banking System (money).

The paper was convertible to real money, the coin was 1oz of real money.

In March of 1933 President Franklin Roosevelt declared a national banking holiday & shut every bank in the country. On April 5, 1933, he signed Executive Order 6102, It required everyone to turn in their gold coins, gold bullion, and gold certificates to a Federal Reserve bank by May 1.
