All clean birds have 6 things:

1. They are not predators.
2. If they catch food in the air they bring it to the ground if possible and divide it with their beaks. Unclean birds eat it in the air or tear it with their bill.
3. They have a elongated middle front toe and a hind toe.
4. They spread their toes so the hind is on one side of the persh & the 3 front on the other.
5. They have crows or crops.
6. They have a gizzard with a double lining.
